CANADA.
No. 581.

SIR,—
I have the honour to transmit to Your Royal Highness, for the information of your Ministers, a copy of a notice published in the press on the 15th June, containing information for the guidance of persons desiring to record:—

(a.) Debts (including bank balances) due to British subjects from persons residing in enemy countries:

(b.) Other property in enemy countries (including securities) belonging to British subjects.

2. The Foreign Claims Office referred to in the last paragraph of the notice has been set up at the Foreign Office for the purpose of dealing with all claims for the settlement of which no satisfactory machinery has existed hitherto, and which are foreign in the sense that they are claims by British subjects against a foreign Government or by foreign nationals against His Majesty's Government.

I have, etc.,
A. BONAR LAW.
The Governor-General,
His Royal Highness
The Duke of Connaught and of Strathearn, K.G.,
etc., etc.

BRITISH PROPERTY IN ENEMY COUNTRIES.

HOW TO RECORD CLAIMS.

WE are officially informed that it has been arranged that the Public Trustee shall keep a record of:—

(a.) Debts (including bank balances) due to British subjects from persons residing in enemy countries:

(b.) Other property in enemy countries (including securities) belonging to British subjects.

Any person desiring to record such claims or property can obtain the necessary form for that purpose (Form G in the first case and Form H in the second) from the Public Trustee. Applications should be made to the Public Trustee (Trading with the Enemy Department), No. 2 Clement's Inn, Strand, W.C.

It must be clearly understood that the action of the Public Trustee will be confined to entering upon the record claims of which particulars are

supplied to him, and that in no way commits His Majesty's Government either to responsibility for the correctness of the claim entered or to taking any action on the conclusion of hostilities or otherwise for the recovery of the debts or property in question.

The Public Trustee will record claims against enemy Governments in respect of public *securities* of those Governments held by the claimants, but other claims against enemy Governments (e.g., in respect of goods or property requisitioned or sequestered) as distinct from claims against enemy subjects should be notified to the Director of the Foreign Claims Office, Foreign Office, S.W.

“AGRICULTURAL ACT, 1915.”

HIS HONOUR the Lieutenant-Governor in Council has been pleased to confirm the Regulation published hereunder.

REGULATION.

Clerk, Executive Council.

AT THE EXECUTIVE COUNCIL CHAMBER.

VICTORIA, B.C., 14th July, 1915.

PRESENT:

HIS HONOUR THE LIEUTENANT-GOVERNOR IN COUNCIL.

ON the recommendation of the Honourable the Attorney-General and under the provisions of the "Court Rules of Practice Act" and all other powers thereunto enabling, His Honour the Lieutenant-Governor of British Columbia, by and with the advice and consent of his Executive Council, doth order as follows:—

1. During the war no probate of a will or letters of administration of the estate of any German, Austro-Hungarian, or Turkish subject, wherever resident, shall be granted in respect of any assets in this country without the express licence of the Crown acting through the Minister of Finance.

2. In all cases where probate or letters of administration are granted during the war to any person entitled thereto, the grant shall be made upon the condition that no portion of the assets shall be distributed or paid during the war to any beneficiary or creditor who is a German, Austro-

Hungarian, or Turkish subject, wherever resident, or to any one on his behalf, or to or on behalf of any person resident in Germany, Austro-Hungary, or Turkey, of whatever nationality, without the express licence of the Crown acting through the Minister of Finance; and if any distribution or payment is made contrary to this condition the grant of probate or letters of administration will be forthwith revoked.

3. Any applicant for letters of administration or probate during the war shall furnish evidence to the satisfaction of the Judge to whom application is made that the person in respect to whose estate such probate or letters of administration are applied for was not a German, Austro-Hungarian, or Turkish subject; or, failing such evidence, shall produce the licence of the Crown that such probate or letters of administration may be granted. Such applicant shall also give such information as the Registrars of the Courts may require in order to ascertain whether any of the assets would in time of peace be distributable or payable to any such subjects, and if required shall make a statutory declaration as to the assets and their disposition in the event of probate or letters of administration being granted.

4. In cases deemed by him proper, the Minister of Finance may sanction the payment of moderate sums out of assets to beneficiaries or creditors who are German, Austro-Hungarian, or Turkish subjects resident in this Province at the commencement of the war and during the war.

MUNICIPAL BY-LAWS.

CORPORATION OF THE DISTRICT OF

By-LAW No. 212.

A By-law to abandon the resumption of Certain Lands for making Roads in the Municipality of Burnaby.

WHEREAS the Council of the Corporation of the District of Burnaby did, on the 20th day of July, 1901, pass the "Burnaby Highways By-law, 1901," and did thereby appropriate or resume the lands described in the said by-law for making roads within the said District of Burnaby:

And whereas it is deemed advisable and desirable to abandon the resumption of the portion of lands thirty-three feet (33') wide on each side of the boundary-line between said Lots Two hundred and thirteen (213) and Two hundred and fourteen (214).

The Municipal Council of the Corporation of the District of Burnaby therefore enacts as follows:—

(1.) The Corporation of the District of Burnaby hereby abandons the resumption for highway purposes of the lands thirty-three feet (33') wide on each side of the boundary-line between Lots Two hundred and thirteen (213) and Two hundred and fourteen (214), and declares the road established under said "Burnaby Highways By-law, 1901," between said district lots closed and stopped up.

(2.) This by-law shall in no way affect the validity of the said "Burnaby Highways By-law, 1901," as to the remainder of the lands therein mentioned, or as to the resumption thereof by the Corporation.

(3.) This by-law may be cited for all purposes as the "Burnaby Highway Abandonment By-law, 1916."

DOMINION ORDERS IN COUNCIL.

[1005.]

AT THE GOVERNMENT HOUSE AT
OTTAWA.

Monday, the 1st day of May, 1916.

PRESENT:

HIS ROYAL HIGHNESS THE GOVERNOR-
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 23rd April, 1916, from the Minister of the Interior, stating that Mike Mnich, a settler on the United States side of the boundary-line in the State of Washington, improved a small area of land on the Canadian side of the boundary in the Province of British Columbia, under the impression that it was in the United States territory. This was done by him under a misapprehension due to a survey post being improperly planted by a Canadian Department, and being misled by the said survey post it was natural that the said settler should carry his improvements up to the line so defined. Representations have been made to the Canadian Government on his behalf by the United States authorities at Washington, and investigations have also been made by officers under the Department of the Interior, with the result that the land occupied and improved by the said settler has been surveyed by the Surveyor-General and found to contain 6.62 acres, being a part of Sections 5 and 6, Township 22, east of the Coast meridian, as shown upon a plan of survey approved and confirmed by the Surveyor-General on the 10th December, 1915. The improvements of the said settler on the Canadian side have been valued by the Agent of Dominion Lands at New Westminster at \$925:

It is considered equitable that title should be granted to this settler. It is also in view that such an error should be rectified by the granting of title inasmuch as like cases may from time to time present themselves elsewhere, where corrections are found necessary in the International Boundary, in which Canadian citizens might be sufferers by a too stringent enforcement of national rights:

The Minister, therefore, recommends that he be authorized to grant title to the said Mike Mnich for the area of 6.62 acres, as surveyed for the said Mike Mnich, and as shown upon the plan of survey approved and confirmed by the Surveyor-General on the 10th December, 1915.

The Committee concur in the foregoing recommendation and submit the same for approval.

RODOLPHE BOUDREAU,

my25

Clerk of the Privy Council.

[1054.]

AT THE GOVERNMENT HOUSE AT
OTTAWA.

Thursday, the 4th day of May, 1916.

PRESENT:

HIS ROYAL HIGHNESS THE GOVERNOR-
GENERAL IN COUNCIL.

WHEREAS an application has been filed by the Corporation of the City of Port Moody, British Columbia, for the reservation from homestead entry and sale of certain lands lying within the Scott and Noon Creeks drainage basin, in Township 39, west of the Coast meridian, and in Fractional Township 4, Range 7, west of the 7th meridian, in order to prevent the contamination of the municipality's proposed water supply:

And whereas the Corporation has also applied to purchase certain Dominion lands for a right-of-way which is required for the purpose of constructing a water main, and further to purchase two small parcels each comprising one acre, to be used for the construction of intakes, one being located on Scott and the other on Noon Creek:

And whereas a joint investigation has been made by the local Agent of Dominion Lands, the Crown Timber Agent, and the Acting Chief Engineer of the British Columbia Hydrographic Survey, who report that the areas which the municipality have requested to be reserved from homestead entry lie

altogether within the Scott and Noon Creeks watershed and that any settlement within this area would be likely to cause the contamination of the waters in these streams:

And whereas the lands situated within the said tract are reported as being rough and mountainous, with a dense growth of vegetation and fallen timber, and generally unfit for agriculture:

And whereas the Corporation of the City of Port Moody have secured from the Provincial authorities the necessary water rights for the diversion and use of the waters of Scott and Noon Creeks and have already cleared the right-of-way applied for and have commenced the laying of their water-main:

And whereas the engineering features in connection with the scheme have been reported as being entirely feasible:

And whereas the scheme is in the interest of the residents of the municipality and the Corporation has shown that it is financially capable of carrying out the proposed works:

Therefore, His Royal Highness the Governor-General in Council is pleased to order and it is ordered as follows:—

1. The lands as set out in accompanying schedule "A," comprising those portions of the drainage basin of Scott and Noon Creeks required in order to adequately protect the waters of these streams from contamination, shall be withdrawn from homestead entry and sale and shall not be disposed of for any other purpose except with the authority of the Minister of the Interior and subject to such provisos and conditions as may be considered necessary, in order that the purity of the water may be retained.

2. Authority is hereby granted, however, for the sale of any Dominion lands which may be required for the right-of-way for the construction of the Corporation's water-main, at the usual rate of five dollars per acre. The width of such right-of-way shall not exceed twenty feet and shall be surveyed by a Dominion Land Surveyor, under instructions from the Surveyor-General, the expenses of such survey to be borne by the City of Port Moody.

3. Authority is hereby granted for the sale of two parcels of land each containing one acre, to be used for the construction and maintenance of intake works required in connection with the said water supply, at the usual rate of five dollars per acre.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.
